RFNS, SENIOR SCIENCE COLLEGE

PARTICIPATIVE LEARNING

RFNS, Senior Science College, Akkalkuwa employs a comprehensive strategy to foster student-centric learning by implementing experiential, participative, and problem-solving methodologies, utilizing state-of-the-art Information and Communication Technology (ICT) facilities. Faculty members are adept in employing student-centric approaches, assuming the role of facilitators to encourage self-directed learning, cultivate innate skills, impart domain knowledge, and draw out latent talents through participatory engagement. The integration of ICT tools and augmented realities enhances content delivery efficiency, creating a dynamic atmosphere conducive to experiential learning within the classrooms. Under participative learning methods, college students actively participated by bringing out Magazines;

Participative learning is ingrained in the college's ethos, evidenced by assignments integrated into internal assessments that offer students participative learning experiences. Each department hosts forums comprising faculty and students, fostering the organization of student-led programs and activities. The adoption of peer-teaching and team-teaching practices, residential camps by the National Service Scheme (NSS), programs Historical places visits, and group discussions, further contribute to the participative learning environment. An innovative practice during Teachers' Day involves students assuming the roles of institution leaders, including Teachers, Heads of Departments, and the principal, resulting in a unique blend of experiential and participative learning outcomes. The college principal maintains regular communication with both staff and students

Under participative learning methods, college students actively participated College Magazines

ANUBANDH College Annual Magazines 2018 to 2023

Tobacco Free Life (pledge for life)

was conducted called Tobacco Free 07/2019. Under the program, stude made by doctors at Tata Cancer Ho

Principal ural Foundation Nandurbar Sanchali Senior Science College Alkalituwa, Dist. Nandurbar

Through video clips, guidance was given on the effects of tobacco, cigarettes and tobacco addiction, various diseases like mouth cancer, throat cancer, lung cancer and other diseases. Tobacco products are the cause of any physical and mental illness in human beings and the end of those diseases is death. The cure for illness is minimal so it is important to stay away from the consumption of tobacco products. Interviews of various cancer patients were shown through video clips at the event, Information about various treatment modalities for cancer was shown. Students concluded that cancer patients should stay away from addictions during interviews. Attendees took oath of tobacco at the event and determined that they would not have any kind of addiction and would not allow anyone around them to get addicted all their life. All colleges and NSS Students from the department took the program to its completion.

Swaccha Bharat Pakwada 2019-20

Krushi Jagruti Chalo Gaon Ki Aur workshop

Light 2019. A one day workshop was organic farming.

Organic farming has become the need of the hour to prevent premature aging in humans with increasing soil fertility and productivity. Organic farming, which provides grains, vegetables, fruits, is nutritious. So in the old days, drought based farming was done. However, to meet all the nutrient requirements of the body, at that time, humans were in the world for 100 to 125 years. Now you can see that the average life expectancy of the human being is at 3 years. Demonstrated how to prepare organic fertilizers, organic liquid fertilizers and how to use them. The faculty and staff were present at the event.

Event Report

Particulars	Details
Name of Department:	IQAC, Botany, Zoology, Chemistry
Name of Event	One Day National Webinar (Online) on "Strategies to Crack Competitive Examinations After Graduation and Post-graduation"
Date of Event	06/05/2022
Theme of Event	The theme of the webinar was "Strategies to Crack Competitive Examinations After Graduation and Post-Graduation." The objective was to provide students and recent graduates with valuable insights, strategies and resources to effectively prepare for various competitive examinations that can significantly impact their career trajectories. The session aimed to demystify the preparation process, offer practical tips, and inspire participants to approach their exam preparation with confidence and determination.
Description of Event	The National Webinar, jointly organized by the Internal Quality Assurance Cell (I.Q.A.C.) and the R.F.N.S. of Senior Science College Akkalkuwa, in collaboration with the Institute for Advance Studies (IFAS), Pune, commenced with a warm welcome by Principal C. P. Sawant, who served as the chairperson of the event. The program began with the keynote address by Prof. P. P. Mahulikar, Ex. Pro. V.C., KBCNMU, Jalgaon. Prof. Mahulikar provided a profound insight into the significance of competitive exams and the impact they have on shaping a successful career. His motivational words set the tone for the webinar, encouraging students to approach their exampreparation with determination and resilience. The first plenary session was delivered by Mrs. Alisha Habib from IFAS, Pune. Mrs. Habib emphasized the importance of carrier opportunities in life sciences, understanding the exam pattern and syllabus thoroughly. She shared valuable tips on how to break down the preparation process into manageable segments and highlighted the role of consistent practice and revision. In the second plenary session, Mr. Shivam Mishra, also from IFAS Pune, focused on the psychological aspects of exam preparation in respect to Chemistry subject. She discussed strategies to manage stress and maintain a positive mindset. Mrs. Sikka's session was highly interactive with participants engaging in discussions about their own challenges and receiving practical advice on overcoming them. The third and final plenary session was conducted by Mr. Rajir Abhyankar from IFAS, Pune. Mr. Abhyankar elaborated on the

	her personal experiences and success stories of students who had excelled in competitive exams through disciplined study routines and effective time allocation. The webinar concluded with an interactive Q&A session where participants had the opportunity to ask questions and seek further guidance from the speakers. The event was well-received, with participants expressing their appreciation for the practical insights and motivational guidance provided by the speakers. Overall, the One Day National Webinar successfully fulfilled its objective of empowering students with the knowledge and strategies required to excel in competitive examinations. The collaborative effort between Senior Science College Akkalkuwa and IFAS, Pune, ensured a well-rounded and enriching experience for all attendees.

The Manager,

Shri Govardhan Sugar Mill

Kukarmunda Dist-Tapi (Gujarat)

Subject: - Request for industrial visit.

Dear Sir.

With reference to above mentioned subject I am writing to ask for your permission to visit your sugar industry, which is located at kukarmunda on 17th February.

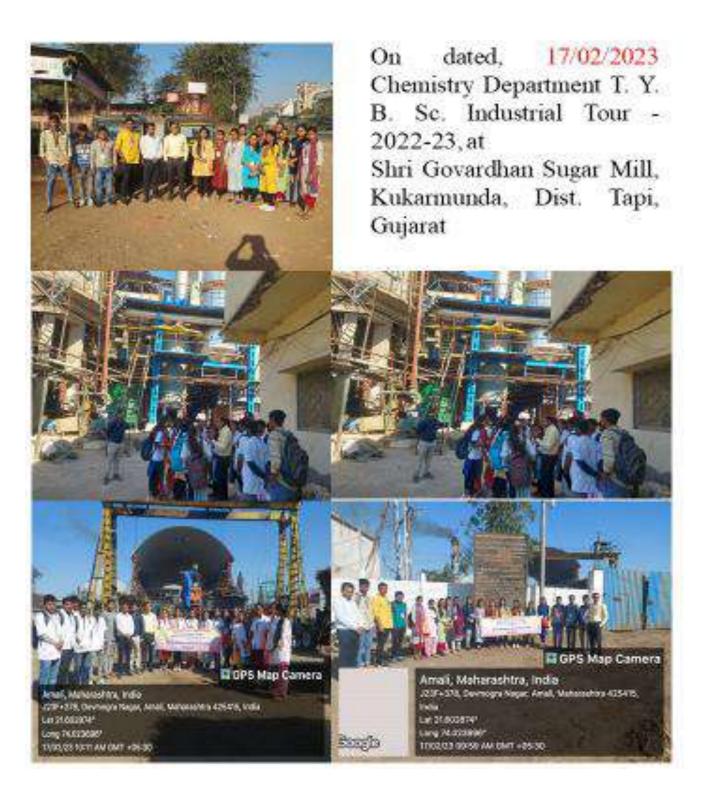

would like to mention that we have scheduled this industry tour for our T.Y.B.Sc (Chemistry) students as per KBCNMU syllabus in order to provide them with an understanding of how things function in the real world.

A total of 45 students would be escorted by a 5 member of our college staff. The purpose of visit is to broaden their understanding through demonstrating the responsibilities done by various divisions.

I hope you will give us the opportunity to tour your facility and meet your knowledgeable employees. I am hoping favorable reaction from you.

Thank you very much in advance

National Level Quiz on "COVID-19 Pandemic General Awareness Quiz 2019-20"

Introduction:

Particulars	Details
Name of Department:	IQAC and Botany
Name of Event	COVID-19 Pandemic General Awareness Quiz 2019-20
Date of Event	April 2020
Theme of Event	Enhancing General Awareness About COVID-19
Description of Event	In April 2020, amid the nationwide lockdown imposed due to the Covid-19 pandemic, we organized a national-level quiz aimed at increasing general awareness about Covid-19. The primary goal of this initiative was to educate participants on the various aspects of the virus, including its transmission, prevention, and the importance of following safety protocols. The quiz was conducted entirely online, utilizing platforms such as WhatsApp and personal email to circulate the quiz link. This approach ensured maximum reach and participation, allowing individuals to engage from the safety of their homes. The event saw an overwhelming response, with approximately 1180 participants from various regions joining in. The quiz comprised a series of questions designed to test and enhance participants' knowledge about Covid-19. Topics included the virus's symptoms, preventive measures, the importance of social distancing, and the significance of wearing masks. The questions were curated to be both informative and engaging, encouraging participants to stay informed and cautious during the pandemic. To incentivize participation and acknowledge the efforts of the participants, a certificate of participation was issued immediately upon successful submission of the quiz. This instant recognition was well-received and added to the overall success of the event. Overall, the national-level quiz on Covid-19 awareness achieved its objective of spreading crucial information during a critical time, helping to foster a well-informed community capable of contributing to the fight against the pandemic.
