PAPER I: ENVIRONMENTAL GEOGRAPHY – II

(With effect from June, 2016)

Objectives:

1. To acquaint the students with environmental problems.
2. To aware the students about the causes and effects of environmental pollution, global warming, ozone depletion, deforestation, etc.
3. To acquaint the students with environmental hazards and disaster management.
4. To acquire the knowledge of Conservation of Resources.
5. To aware the students about various Environmental Acts.

Unit No.	Topic	Sub-topics	Periods
I	Environmental Pollution	A) Definition of Pollution and Pollutants B) Types of Pollution (Causes, Effects and Remedial measures) a) Air Pollution b) Water Pollution c) Noise Pollution d) Solid Waste Pollution	22
II	Environmental Hazards and Disaster Management	A) Meaning, Concept and Types of Disasters B) Definition, Causes and Management (pre, during and post) of following Disasters a) Atmospheric: Cyclones b) Hydrological: Droughts and Floods c) Terrestrial: Earthquakes d) Biological: Weeds and Pests	10
III	Global Environmental Issues	A) Green House Effect B) Global Warming and Climate Change C) Depletion of Ozone Layer D) Deforestation E) Adverse Effects of Pesticides and Insecticides	12
IV	Conservation of Resources and Environmental Acts	A) Conservation of Resources (Meaning, Need and Methods) a) Soil Conservation b) Water Conservation c) Forest Conservation d) Wild Life Conservation B) Environmental Acts a) Air Pollution Act b) Wildlife Protection Act c) Water Pollution Act d) Forest Conservation Act	16

Event Report

Particulars	Details
Name of Department:	IQAC, Botany, Zoology, Chemistry
Name of Event	One Day National Webinar (Online) on "Strategies to Crack Competitive Examinations After Graduation and Post-graduation"
Date of Event	06/05/2022
Theme of Event	The theme of the webinar was "Strategies to Crack Competitive Examinations After Graduation and Post-Graduation." The objective was to provide students and recent graduates with valuable insights, strategies, and resources to effectively prepare for various competitive examinations that can significantly impact their career trajectories. The session aimed to demystify the preparation process, offer practical tips, and inspire participants to approach their exam preparation with confidence and determination.
Description of Event	<p>The National Webinar, jointly organized by the Internal Quality Assurance Cell (I.Q.A.C.) and the R.F.N.S. of Senior Science College Akkalkuwa, in collaboration with the Institute for Advance Studies (IFAS), Pune, commenced with a warm welcome by Principal C. P. Sawant, who served as the chairperson of the event.</p> <p>The program began with the keynote address by Prof. P. P. Mahulikar, Ex. Pro. V.C., KBCNMU, Jalgaon. Prof. Mahulikar provided a profound insight into the significance of competitive exams and the impact they have on shaping a successful career. His motivational words set the tone for the webinar, encouraging students to approach their exam preparation with determination and resilience.</p> <p>The first plenary session was delivered by Mrs. Alisha Habib from IFAS, Pune. Mrs. Habib emphasized the importance of carrier opportunities in life sciences, understanding the exam pattern and syllabus thoroughly. She shared valuable tips on how to break down the preparation process into manageable segments and highlighted the role of consistent practice and revision.</p> <p>In the second plenary session, Mr. Shivam Mishra, also from IFAS, Pune, focused on the psychological aspects of exam preparation in respect to Chemistry subject. She discussed strategies to manage stress and maintain a positive mindset. Mrs. Sikka's session was highly interactive, with participants engaging in discussions about their own challenges and receiving practical advice on overcoming them.</p> <p>The third and final plenary session was conducted by Mr. Rajiv Abhyankar from IFAS, Pune. Mr. Abhyankar elaborated on the importance of time management and smart study techniques. He shared</p>

Subject: - Request for industrial visit.

Dear Sir,

With reference to above mentioned subject I am writing to ask for your permission to visit your sugar industry, which is located at kukarmunda on 17th February.

I would like to mention that we have scheduled this industry tour for our T.Y.B.Sc (Chemistry) students as per KBCNMU syllabus in order to provide them with an understanding of how things function in the real world.

A total of 45 students would be escorted by a 5 member of our college staff. The purpose of visit is to broaden their understanding through demonstrating the responsibilities done by various divisions.

I hope you will give us the opportunity to tour your facility and meet your knowledgeable employees. I am hoping favorable reaction from you.

Thank you very much in advance

Statue Of Unity

STATUE OF UNITY

The Statue of Unity is the tallest monument in the world, standing at a height of 185 meters. It is a symbol of unity and a source of pride for the people of Gujarat. The statue is located in the village of Narmada, near the town of Gandhinagar. It is a masterpiece of art and architecture, designed by the Chinese architect Zou Yilin. The statue is made of dark basalt and is surrounded by a large complex of buildings and infrastructure. The statue is a source of inspiration and a symbol of the power of human achievement. It is a must-visit destination for anyone who is interested in the history and culture of India.

EDUCATIONAL TOUR

The purpose of this educational tour was to provide students with a first-hand experience of the Statue of Unity and its surroundings. The tour was organized by the Department of Geography, Akkalkuwa, and was supervised by Dr. A.C. Shorragade and Dr. M.D. Mudholkar. The students were taken to the statue and were given a detailed explanation of its history and significance. They were also taken to the surrounding area and were given a tour of the dam and the surrounding infrastructure. The tour was a great success and the students were very impressed by the statue and its surroundings.
